

Golf Outing Contract

Located at 808 County Line Road, Blank has some of the most unique golf course features in Central Iowa. This include the Uplink Global Positioning System, better know as GPS. This system was installed in the spring of 2003. The GPS provides you with the pleasure of knowing the exact distance between the ball and hazards and flags. The system also allows you to page the beverage cart from your own cart. No more waiting for a cool refreshing drink or snack! Forgot a scorecard, that's okay, plug your score right into the screen using the computerized scoring system. Blank first opened in 1971 as a 9 hole golf course and expanded to 18 holes in 1985. The course offers a formidable challenge, especially on the front nine. Water and sand come into play on many of the holes, adding to the course difficulty. There are 31 sand traps and 10 water holes. Blank Golf Course features a full service deli, driving range, pro shop and banquet room that holds up to 300 people. Call and book your golf outing today with one of our friendly staff members!
